**2014-15 REFUGEE AND HUMANITARIAN PROGRAM:
DISCUSSION PAPER AND CONSULTATION QUESTIONS**

October 2013

Each year since 1984, the Refugee Council of Australia (RCOA) has been invited by the Australian Government to provide input on the planning of the following year's Refugee and Humanitarian Program. Throughout October and November 2013, RCOA will conduct local consultations around Australia to seek input to inform its submission to the Minister and the Department of Immigration and Border Protection (DIBP) on Australia's 2014-15 Refugee and Humanitarian Program. This year, community consultations will seek feedback on:

1. Australia's response to international refugee needs;
2. Community views on refugee and asylum policy changes that took place in 2012-13; and
3. The new Coalition Government's refugee policy and future plans.

The following discussion paper provides background information and consultation questions on each of these themes.

To find out how to participate in the face-to-face consultations in your state or territory, go to the RCOA website at www.refugeecouncil.org.au/submit.php or contact RCOA on (02) 9211 9333 or email admin@refugeecouncil.org.au. RCOA welcomes written input in response to the consultation questions below. Responses can be sent to admin@refugeecouncil.org.au by 15 November 2013.

1. AUSTRALIA'S RESPONSE TO INTERNATIONAL REFUGEE NEEDS**1.1 GLOBAL REFUGEE TRENDS**

The latest statistics¹ from the United Nations High Commissioner for Refugees (UNHCR) reveal that the number of people displaced by persecution, conflict, generalized violence and human rights violations has increased significantly from 42.5 million in 2011 to 45.2 million by the end of 2012. Of these, 15.4 million are refugees, 837,000 are asylum seekers and 28.8 million are internally displaced persons. UNHCR estimates that at least 10 million people were affected by statelessness in 2012.

Table 1: Forced displacement, 2012

Forcibly displaced persons	Number displaced
Refugees	15.4 million
Palestinians under UNHCR's mandate	49.5 million
Palestinian refugees under UNRWA's mandate	4.9 million
Asylum seekers	1 million
Internally displaced persons	28.8 million
TOTAL	45.2 million

The number of people forcibly displaced in 2012 is the highest level since 1994, largely due to conflicts in the Democratic Republic of the Congo, Mali, the Syrian Arab Republic and the border area between Sudan and South Sudan. An average of 3,000 people per day became refugees in 2012, five times more than in 2010. Asylum applications increased by 3% from the previous year, the second highest level of the past 10 years. Of these asylum applications, more than 21,300

¹ Statistics have been taken from the UNHCR 2012 Global Trends document: <http://www.unhcr.org/50718151.html>
